

## **“What Operators and others say about our equipment”.**

“I’ve had my Oak® Racks on location for 40 years. They are still working like crazy.  
John P. (South Dakota).

“ I am a second generation operator. The Oak® stuff served my dad throughout his vending  
Career and now it is serving me. Just amazing.  
“William S. (Tennessee)”.

“You guys are crazy for making equipment that last this long.”  
(Crane Manufacturer).

“I only buy Oak® Machines, I know from experience that they are going to last me as long as I am in  
business. Why buy anything else”?  
Ernest F. (California).

I’ve gotten years of service from my Oak® Machines and Racks. They still work like new.  
Will P. (South Carolina).

“I like buying from Oak®, cause I always know what I am going to get.”  
Mike D. (Kansas).

“I bought the imported knock off version of the Oak®Machine. I have regretted every penny that I  
saved.” “Never again.”  
Betty R. (Indiana).

**Oak®Manufacturing Co. Inc. “Making equipment that outlasts the operator.”**
